MC8900QCP Horizon

## HORIZON®

By **JANOME**

Introducing the Horizon MC8900QCP: the newest professional-grade *Quilting Companion* from Janome. Designed to make every sewing task easier, the 8900 delivers large with more sewing space, bigger stitches and more on-board accessories than traditional sewing machines. Leave ordinary and *Sew* Extraordinary...

- Fully Computerized, Free Arm sewing machine with **11" (280mm) to the right of the needle** for those great big projects and quilts
- **AcuFeed™ Flex** fabric feeding system – moves all of the layers precisely when you need the control: easily detaches when you don't need it
- **9mm Stitch Width**, for bigger, bolder stitching featuring 3 Easy Select Alphabets (including Cyrillic characters) with one touch memory
- **One-Step Needle Plate Conversion** – Pops into and out of position at the touch of a button. No Screwdriver needed!
- **270 Stitches**, with 11 automatic buttonholes
- Sews at 1000 stitches per minute
- Automatic Needle Threader
- **Automatic Thread Cutter** with remote port
- Ultra-fine needle position adjustment: 91 positions
- Adjustable knee lifter
- **LCD Touch Screen and Jog Dial Navigation**
- Favourite Stitch Function
- Horizontal and Vertical flip stitch options
- **5 Bright LED Lights**
- Needle up/down, Auto-lock and Start/Stop controls
- **Room to Sew & On-The-Go:** Large extension table for even more sewing space and semi-rigid cover are included
- **Plenty of Accessories:** including 16 presser feet, quilting guide bar, buttonhole plate and deluxe cloth guide
- SFS+ Feed system and easy drop feed for free-motion
- Centre AND Left needle position for optimal straight stitching and free-motion sewing
- Multi Language Display and many more features
